Live the Legend

If only the walls could talk... They would surely have extraordinary tales to tell; of 16th century Queens and Princes on diplomatic missions and 17th century admirals commanding launches for distant lands. Not to mention stories of eager artists and craftsmen, pursuing a vision as they decorated The Grand. The majestic Sofitel Legend The Grand Amsterdam, overflowing with history but vibrantly modern. Offering a supreme hotel experience for guests from oceans away, or from just across the canal. Discover the unique history of The Grand by taking a tour through the hotel, specially organized for our hotel guests. During this daily tour, starting at 11 am each day, the rich history and architecture of the hotel, the building and its surroundings are explained.

Preserve our heritage, care for the future

As a five-star luxury hotel in the heart of Amsterdam, The Grand is dedicated to providing exceptional service while maintaining the highest standards of environmental and social sustainability.
